

I spy with my little eye...

1. Something that goes "vroom vroom" and has smoke coming out the back!
2. Something tall and green with big leaves that gives some shade!
3. Two friends in a hurry - one wearing blue and one wearing green!
4. A shop that can fix your car when it breaks down!
5. Something striped that keeps the sun away from the shops!
6. A place where you can buy yummy food on a stick!
7. Three black and yellow stripes on the ground where people can cross safely!
8. A sign that lets people know a store is ready for customers!
